NEW RECORD IN PRICE OF HOGS

HIGHEST POINT EVER KNOWN ON LOUISVILLE MARKET IN HOT WEATHER.

Wheat Reacts And Loses Cent And a Quarter—Eggs and Poultry Are Firm.

September wheat closed at a loss of 1 and ¼ cents today, the close being \$1.39½. This is a decline in the past two days of over two cents, due largely to the tension over the strike situation.

Hogs made another record today, heavy hogs selling at ten cents more than ever before sold in the summer on the Louisville market and within less than a dollar of the highest price ever known at any season, which was in March, 1910. This places hogs on the local market at 9½ cents and some bids are being made for hogs for delivery in October at prices around the nine-cent mark. Opinion is general among buyers that the high prices will continue for some time.

Cattle are rather quiet, although prices on the good kind are firm. Sheep and lambs were also higher today.

There were no changes in the egg and poultry prices, both continuing firm.

MATHERS GORDON BADLY CUT UP IN NASHVILLE FIGHT

WELL KNOWN COLUMBIAN HAS
SERIOUS ALTERCATION WITH
BOYD ANDREWS.

IS TAKEN TO CITY HOSPITAL

Assaultant Arrested On Charge Of Assault With Intent to Commit Murder—Details of Affair Hard to Secure as Andrews Will Not Talk.

Special to The Herald.

NASHVILLE, Tenn., Aug. 17.—H. Mathers Gordon, of Columbia, was literally cut all over the body here this morning at 3 o'clock, by Boyd Andrews, also a former citizen of Columbia. Gordon was cut in a dozen places, it is said, and is at the City hospital in a precarious condition. No statement has been obtained from him and whether or not he has a good chance to live cannot be stated at this time, but the physician states that he is in a very serious condition.

No details of the cutting affair can be obtained. Andrews was arrested and taken to police station and locked up on a charge of assault with intent to commit murder. Mr. Andrews refuses absolutely to talk. He will not discuss the cutting. There were no eye witnesses. All that is certainly known is that the cutting took place between Boyd Andrews' grocery and the Tulane hotel, where Gordon had been stopping, at about 3 o'clock this morning. Just as they reached the Church street entrance, Andrews drew his knife and began slashing Gordon.

Gordon was bleeding profusely when Officers Egan and Conner reached the scene in the police patrol. A hurry

trip was made to the hospital and medical attention was given the injured man immediately upon his arrival.

Andrews was under the influence of liquor when taken to the police station and was in no condition to discuss the affair, the police say.

The quarrel which led up to the cutting took place after they had left Andrews' store. There were no eye witnesses to the cutting.

It is said that Gordon and Andrews and others were enjoying a keg party at the grocery of Andrews and that there were several present; that Gordon and Andrews quarreled all during the night and that they started toward the Tulane together. Andrews' grocery is located at the corner of Ninth and Cedar streets. He was formerly engaged in the saloon business in Columbia and afterward went to Nashville, where he ran a saloon on Broadway just above the Union passenger station.

It is said that Gordon has been in several scraps before and when drinking is regarded as a very dangerous man.

SENSATION HERE.

Both Andrews And Gordon Are Well Known and Have Large Connection in the County.

News of the cutting affair between Gordon and Andrews created some what of a sensation here, where both are well known and have large connections. At an early hour Thursday morning, Tom Friel, Gus Watson, Jim Andrews and Henry Tyndall went in a car to Nashville to tender aid to Boyd Andrews, arrested on a charge of assault with intent to commit murder. They are relatives and close connections of Mr. Andrews and will doubtless make the necessary bond for him.

T. E. Gordon, father of the injured man, left here Thursday morning on the eleven o'clock train for Nashville

to be at the bedside of his son. It is understood that his wife was in Nashville at the time of the cutting, this however, has not been verified.

ALGIE CHERRY HAS SHOULDER BROKEN

EN ROUTE TO PRIMM SPRINGS
WHEN ACCIDENT HAPPENED
BROUGHT TO COLUMBIA.

Algie Cherry was thrown from an automobile Sunday morning near Primm Springs and one of his collar bones broken. Cherry and a party left Columbia late Saturday night to go to Primm Springs to spend Sunday. It seems that the lights went bad on the car and as they were nearing the springs Cherry states that he stood up to see the road better and be of some assistance to the driver, and just as Cherry rose, the car is said to have struck a gully in the road and Cherry did a Helen Holmes stunt over the side of the car, landing on his shoulder and breaking the collar bone.

He was brought to Columbia Sunday morning about ten o'clock and taken to The King's Daughters' hospital, where the member was set. He is able to be out, but suffers a good deal of pain.

REGRET DEFEAT OF CONVENTION

LOCAL SUPPORTERS MUCH DISAPPOINTED OVER RESULT OF ELECTION.

Local supporters of the constitutional convention are very much disappointed over its defeat. Maury county has twice voted to call a convention and revise the constitution of 1870. In the election on the issue nineteen years ago the county cast a majority 110 for the convention. This was increased in the recent election to 351. Nineteen years ago only six counties in the state voted favorably upon the issue; this time it was defeated by less than 4,000 votes. The advocates here are hopeful that at the next opportunity better success will meet their efforts. Had there been an organized fight made in the county it is believed that this majority would have been much larger. The failure of the proposition after it had been believed that it had carried, will nip in the bud the ambitions of several prominent citizens who had hoped to become members of the convention.

DEMOCRATIC COMMITTEE URGES HUMPHREYS FOR STATE SENATE

LEWIS COUNTY CANDIDATE IS RECOMMENDED TO THE FAVORABLE CONSIDERATION OF THE DEMOCRACY OF MAURY—APPEARS AND EXPRESSES APPRECIATION OF HONOR.

It seems altogether probable that which in turn will elect delegates to a senatorial convention, when called. After the committee, on motion of Thomas Y. English, of the Sixth district, had adopted a resolution recommending Mr. Humphreys to the favorable consideration of the democracy of the county, the candidate from Lewis was introduced to the committee and briefly expressed his appreciation of the honor conferred upon him. He said that if elected to the senate he would do his best to properly represent the district. He was vigorously applauded.
